Trey,

Attached are 3 briefing docs that may be of use while you are in DC:

- SD 1 Talking Points, as you requested. We are scheduled to brief Susan Bodine on Thursday – same focus as yours from last week: litigation posture & complaint.
- Info on proposed FLA 404(b) letter re: impacts to mangroves in Palm Beach County, FLA

- 

## **Ex. 5 Deliberative Process (DP)**

- Criminal enforcement authority issue re: FLA 404 assumption.
  - This is for your background only, so that if it comes up you are aware of the issue.

- 

## **Ex. 5 Deliberative Process (DP)**

I met with staff to discuss FLA 303(d). We are developing a briefing for you on the litigation environment, which is a driver of the current approach to WQS in FLA. We will propose options as well as the litigation risks associated with each.

Please let me know if you need anything else.  
Mary
